Mystique

Hearth Craft, a leading manufacturer of fireplace glass doors has been manufacturing masonry and zero-clearance glass doors since 1956. The old time craftsmanship, the finest materials and the latest production techniques result in the production of a distinctively designed fireplace door.

Hearth Craft doors are designed only for vented fireplaces and are all made in the USA. They are available in custom sizes, various finishes and glass tints.

Doors for masonry fireplaces include a manufacturer's 5 year limited warranty, while zero clearance doors include a one year limited warranty.

STOLL FIREPLACE DOOR - GLASS

The designers at Stoll have combined form and function to offer door systems that work wonderfully with your fireplace. Designs cleverly provide air flow to the fireplace without sacrificing styling. Glass doors lift off for easy cleaning, and carry a manufacturer's five year limited warranty.
