

## MASTER FLAME - ASPEN GAS LOGS

Charred Oak

Split Oak

Red Oak

The Aspen Elite vented gas log unit offers superior design and craftsmanship. Bask in the glow of our fabulous triple burner system—the ultimate in fireplace luxury. The Elite series is the preferred choice for those customers who want the fullest most natural looking flame with the luxury and aesthetic appeal of a real wood fire.

These units are available in three distinct log styles with optional remote control or electronic ignition. All Master Flame logs and burners carry a manufacturer's lifetime warranty. All controls carry a one year manufacturer's warranty.
